The 2025/2026 Student Advisory Council (S.A.C.) members include:

**Astronaut High School:** Senior and Co-Chair Peyton Redfern, junior and Vice-Chair Sydney Lelle, sophomore member Luke Donhoff and freshman member Kylie Miller.

**Academic Community Enrichment:** Junior and Secretary Christa Sims, sophomore member Trinity Johnson and freshman member Jackie Willis.

**Titusville High School:** Senior and Co-Chair Cadyn Fiebig, junior member Grace Barraza, sophomore member Ava Sperr, freshman Member David Speeler.

Background Information. In accordance with Resolution No. 5-2023, the Student Advisory Council is to discuss, research, and prioritize two to four concerns or issues to be presented annually to City Council, with proposed solutions for further discussion or action. The mission of the Student Advisory Council is to encourage involvement of young people in community affairs and create an awareness of their rights and responsibilities as citizens of Titusville. This year, the Council held ten regular meetings and one special meeting.

Body of Report. During 2025/2026, our Council undertook the planning of the following projects for the following term.

1. Feeding the Community
2. Hosted the Mock City Council on April 1, 2025.

## **Hosted a Youth Leadership Seminar**

**March 12, 2026**

On March 12<sup>th</sup>, 2026, the Student Advisory Council hosted our Youth Leadership Seminar at Parrish Medical Center. We chose two speakers, \_\_\_\_\_ and \_\_\_\_\_ to meet and speak with the students from Titusville High School, Astronaut High School, and Academic Community Enrichment Association and talk with them about what leadership meant, how to show it, and how to use it to help their communities. Not only did these speakers meet with the students, but also Sustainability Planner, Lily Galleo who hosted the main activity.....

This seminar was a great opportunity for the young leaders in our community to engage with each other and help them realize their potential in being a leader for their community no matter what path they choose.

## **Summary**

The Student Advisory Council expresses its gratitude towards the City Council, the City of Titusville, and all its employees. We could not continue our service without your unwavering support.

The Student Advisory Council voted earlier this spring on the goals we wanted next year's council to work towards.

As prescribed by *City of Titusville Resolution No. 5-2023*, the Student Advisory Council must discuss and prioritize two to four concerns or issues each year. For this reason, this year's Student Advisory Council suggests the following goals be forwarded to the 2026/2027 Student Advisory Council for their consideration and implementation.

1. Mock City Council
2. Volunteer project with elementary school students

Once again, we wish to thank everyone for their support during the 2025/2026 term. We wish next year's Council much success.
