Host a Youth Leadership Seminar in Spring of 2026 – Co-Chairperson Peyton Redfern advised that council had the final review of the planning guide in the agenda packet and needed to go through the script and main activities. Discuss any changes.

Council reviewed their tasks and assignments for the Leadership Seminar.

Member Christa Sims informed the council that Michelle Lucas would be unable to attend the Leadership Seminar, resulting in a 30-minute gap in the day’s agenda. After discussion, the council reached a consensus to utilize the additional time by extending the morning icebreaker activity to allow students more time to participate. The council also agreed to contact Michelle Lucas to inquire whether she could provide a recorded version of one of her speeches to be presented during the seminar.
